

LEAPSM

Life Evolving Adaptive Potential
Empowering Children to Adapt, Grow, and Thrive

Henry-Cameron Allen, ICGC
CTAA, IHTCP Accredited

LEAP is a uniquely transformative mentoring program designed to help children develop a strong foundation in Universal Life Skills, including Adaptability, Communication, Emotional Intelligence, Problem-solving, Self-expression, and Resilience.

Through interactive, personalized sessions, we foster confidence and creativity in a safe, engaging virtual space where children can explore, learn, and evolve into their best Selves.

Visit www.LEAP.Love - Limited Spaces Available

Program Details

- Format: Individualized mentoring in a secure, customized virtual space
- Schedule: Minimum of two 50-minute sessions per week for consistency and growth
- Investment: \$60 per session (monthly or annual payments)
- Ages: Most suitable for children ages 9–15, with some considered flexibility.
- Free 30-minute consultation to assess your child's needs

What Sets LEAP Apart?

1. Personalized, adaptive journey with a seasoned mentor who has a consistent four-decade global track record of guiding youth toward resilience and self-confidence. Every session is tailored to your child's unique strengths, challenges, and aspirations. No one-size-fits-all approach—LEAP evolves with your child's unique journey.

2. Universal Life Skills for a Lifetime, including:
- Adaptability & Resilience – *Navigating change with confidence*
 - Emotional Intelligence – *Understanding and expressing emotions in healthy ways*
 - Creative Problem-Solving – *Thinking outside the box to overcome challenges*
 - Self-Expression & Communication – *Building confidence in their own voice*

Life Skills proficiency nurtures the whole child—mind, heart, and creativity, building a strong foundation for lasting adaptability and a strong sense of purpose.

3. A Fun, Engaging Learning Experience

Sessions incorporate storytelling, folklore, art, mindfulness, and imagination to ensure deep, meaningful learning that feels like play—because growth should be exciting, encouraging self-discovery through timeless wisdom.

4. Virtual Access from Anywhere

LEAP is hosted on the immersive GoBrunch platform, providing a secure, dynamic, interactive environment accessible worldwide.

How It Works

1. Free Consultation (30 minutes) - We will assess your child's needs, strengths, and goals.
2. Personalized Sessions - Measurable progress in confidence, adaptability, and self-expression.
3. Ongoing Parental Feedback - Regular updates and support for parents.

What Parents Are Saying

"Mr. Allen has transformed the way my son approaches challenges - he is becoming more confident and handles change better than ever before."

- Parent of a 10-year-old L.E.A.P. Protégé

*The creative activities helped my daughter open up about her emotions in ways I never thought possible!"

- Parent of a 9-year-old LEAP Protégé

"After three months in L.E.A.P., my teenager has developed problem-solving skills that have really helped them in school, building friendships, and they are even more engaged at home!"

- Parent of a 14-year-old LEAP Protégé
